

# MAKE-UP ARTISTS

Volunteer Check-In for Beautification Volunteers is 5:00pm.

## List of things needed to bring if possible:

- Handheld mirror
- Make-up brushes
- Blush
- Eyeshadows
- Mascara
- Highlighters
- Any glittery make-up
- Lipstick/lip gloss
- Make-up wipes
- Primers
- Eyeliner
- Foundations
- Concealer

We will provide make-up applicators, lip gloss, some eyeshadows, face glitter, body shimmer, fake tattoos, make-up wipes, q-tips, wedges/sponges, mascara wands and face stickers. If you bring any personal makeup, please ensure it is sanitary and not expired. We want to make sure we are using makeup that is new and clean.

Be sure to ask before touching or applying anything. Let our Honored Guests see themselves in the mirror during and at the end of getting ready.

Some of our Honored Guests may arrive with their hair or make-up done. We still want them to have an experience with our Beautification Team. We can put stickers on their nails if they are already painted, a little glitter on cheeks, face etc., or apply fake tattoos (if approved by parent or caregiver).

Your Team Lead will release you after all Honored Guests are taken care of and all the station areas are clean. Plan on leaving between 6:30pm-7:00pm.

If you have any questions, please feel free to ask.

Beautification Team Lead
